## What is Phat Gaffa?

Phat Gaffa is a non-reflective matte finish vinyl coated cloth tape with excellent adhesive properties. It is primarily designed for theatres and the entertainment industry in general. Phat Gaffa can also be used in photography, lighting, TV & film industries, stage props, and general purpose use.

## What are the Features & Benefits?

- 3 inches wide! Hence the name "Phat", ideal for securing multicores, multiple floor cables or securing carpet to staging blocks.
- Unlike its rivals Phat Gaffa DOES NOT leave a slimy residue even after several days in the hot sun making packdown quick and painless!
- The matt black satin finish seamlessly blends into the stage environment and does not attract lighting flares.
- A very strong waterproof vinyl coating provides a quality finish safe for outdoor shows.
- Turn 40m into 80m, Phat Gaffa can be easily split effectively doubling the tape length. The 1.5" split is Ideal for taping cables to speaker stands, lighting trees and trusses ect. (See below)
